Marketing Material and Brochures

A serious effort has been made to provide accurate information in all of our marketing material and brochures, and, at the time of print or digital export, is produced to the best of our knowledge. However, as in all publications, the possibility exists for errors and misprints in the text. Variations in certification, compliance and recommended applications/performance may also occur depending on changes in legislation, materials, and process of construction, and/or additional knowledge gained. Prior to order placement, the Buyer will ensure that the application parameters and recommended products are suitable and safe for the intended use and installation environment. A full copy of Terms and Conditions can be found at trademark owners' website.
